4. After you launch the App a message might appear if you have a pop-up blocker. Allow the app to launch. Disregard the message. Click to install the app. The main page for Renaissance Home will appear. Click on the Renaissance Product you need. If you are taking the STAR test, and it asks for a password use admin. If this does not work try <u>abc</u>.

5. If you login and see No products assigned let your teacher know, or if you have other issues. Inform your teacher and contact Ms. Flores the Teacher Librarian for support.
